Subject - Export of copper and brass manufactures.

*****

Reference this Office Express letter of even number, dated the 19th June 1952 on the subject noted above.

The position has been reviewed and it has been decided that export of copper and brass manufactures including utensils but excluding sheets and other semi-manufactures should continue to be licensed freely on presentation of shipping bills during the period January - June 1953.

3. A trade notice on the subject may be issued immediately.

4. In order to effect uniformity it is desirable that from January 1953 onwards monthly statistics of actual exports of copper and brass manufactures including * (but barring decontrolled or uncontrolled varieties) are furnished to this office in one consolidated statement, the quantities being shown in TONS. A copy of the statement may also, invariably, be endorsed direct to the Ministry of Commerce and Industry quoting reference to the letter to enable them to be kept informed of actual exports every month.
